

Leda Vasque Semi Recessed Basin

The Leda Vasque series offers timeless styling suited to any bathroom environment. The Semi Recessed Leda Vasque Basin allows for extreme versatility. The slight overhang of this basin means that it can be used with very narrow countertops, so even the smallest spaces can offer the elegance and practicality of a full size basin

- Only 17" (432 mm) Round fits neatly in smaller spaces or is perfectly suited for spaces large enough to accommodate double sinks
- Impeccably finished Vitreous China
- Works well for children as the design makes faucets easier to reach
- Available with No Faucet Holes
- Drain opening 1 1/4" (32 mm)

Leda Vasque Semi-Recessed

Vitreous China Lavatories/Sinks

Lavatory Size: 17" (430mm) diameter (nominal)

A premium designed new concept semi-recessed lavatory incorporating generous size and distinctive curved bowl area. The lavatory is sealed to the counter top with an approved acetic cured silicon caulking.

Faucet Holes: The lavatory is available in no faucet hole only, Code No. 661148.

Drain Outlet: Drain outlets use 1 1/4" (32mm) diameter drain outlet assemblies.

Bowl Capacity: 0.97 gal (3.7 l) to overflow.

Overflow: Rear overflow.

Weight: 16.5 lb (7.5 kg).

Fixing: An approved acetic cured silicon caulking is to be used to secure the lavatory to the counter top. **Epoxy type glues must not be used.** The lavatory is supplied with a template which must be used for the counter top cut-out.

Colors: White and biscuit.

Dimensions: All dimensions are in inches and millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.
