About Switch

why switch?

Switch allows you to quickly, easily and affordably add a beautiful slide bar and hand shower to the shower system you already have.

Every single shower should include a hand shower.

- Easier to clean the shower
- Easier for everyone to safely shower, even those needing to sit
- Easier to wash a child's hair and to wash pets
- Does not touch the plumbing behind the wall
- Does not damage shower walls
- Can be installed in about an hour

RETROFITS

Are you happy with the look of your shower but just wish it had a slide bar and hand shower? Switch uses your existing valve, keeps the plumbing intact and just adds the missing elements. So, for retrofits, you order only the Switch slide bar and preferred components. You don't need a valve.

NEW CONSTRUCTION

If you are starting fresh with a new home or a complete renovation that is replacing the plumbing, Switch is still a great option. You can install a deluxe shower system that includes a slide bar using the least expensive type of pressure balancing valve. You minimize material and plumbing costs without sacrificing performance. So, Switch for new construction includes the Switch system and the valve and valve trim.

Switch Kits for Retrofitting

Switch Variations:

The Switch Slide Bar comes in 18" or 26" lengths. For retrofits you will have to consider the amount of space available between your existing valve trim and the shower head. All four shower systems above feature the same components; variations are created by switching up the desired slide bar length and shower arm style.

26" Bar Kits:

- a. **F9308-001** – CP | BN | MB*
6" Round Switch Retrofit Kit

Includes:

Switch – F9308 (FP933000 Bar + FP900208 Arm)
6" Round Shower Head – FP6000350
3 Function Hand Shower – FP40120
60" Shower Hose – FP6001006

- b. **F9308-001-TALL** – CP | BN | MB*
6" Round Switch TALL Retrofit Kit

Same as A but with FP900208-TALL Arm

18" Bar Kits:

- c. **F9508-001-18** – CP | BN | MB*
6" Round Switch Retrofit Kit

Includes:

Switch – F9508 (FP933002 Bar + FP900208 Arm)
6" Round Shower Head – FP6000350
3 Function Hand Shower – FP40120
60" Shower Hose – FP6001006

- d. **F9508-001-18T** – CP | BN | MB*
6" Round Switch TALL Retrofit Kit

Same as C but with FP900208-TALL Arm

Other Available Finishes: Matte Black

Brushed Nickel

*Some MB components look similar to those pictured, but material, model numbers and prices may vary.

Feature Sheet & Legend

Look for these icons throughout our catalogues to quickly identify product features.

Swivel Aerator

Directs flow of water to prevent splashback.

Removeable easy clean basket

Prevent small items plus dirt and debris from entering drains.

Precision Ceramic Disc Cartridge

Ensures life-long trouble-free service.

Slip Fit

For Easy alignment during installation.

Speed Connect

For Easy and fast installation.

Suitable for Retrofit

Indicates what can be used as a retrofit solution in a shower.

Heavy Brass Construction

For durability and reliability.

F1001B Valve Required

For pressure balancing non-diverting shower kits.

F1002B Valve Required

For pressure balancing 2-way single handle diverting shower kits.

F1012B Valve Required

For pressure balancing 2-way two handle diverting shower kits.

F1003B Valve Required

For pressure balancing 3-way diverting shower kits.

F5001B Valve Required

For thermostatic non-diverting shower kits.

F5002B Valve Required

For thermostatic 2-way diverting shower kits.

F5003B Valve Required

For thermostatic 3-way diverting shower kits.
