fluid Citi Dual Flush Siphonic Toilet

FT240120W

As the latest addition to our growing fixture line, fluid toilets are designed to fit your lifestyle and budget. The Citi one-piece toilet features soft curves in a compact, elongated design that adds a timeless elegance to even very small bathrooms.

BEST IN CLASS

One of the design pillars for all fluid products is a promise of best in class performance, presentation and features within any given price category.

FEATURES

Features a fully skirted bowl, dual port rimless bowl design, soft close seat, compact elongated, dual flush design. Quad also features nano glaze technology to make cleaning easier, and to keep the bowl cleaner longer.

PERFORMANCE

Siphonic, rimless technology creates a powerful flush that effectively clears and cleans the bowl.
