

Specifications

- Heavy brass construction for durability and reliability
- Single lever handle operation allows both volume and temperature control
- Tub spout can be either fixed squarely or swiveled into a desired position by $\pm 70^\circ$ in order to provide an easy access to bath tub.
- Pull/push type diverter allows a quick water flow switch from spout to hand shower or vice versa.
- Rough-in valve can be installed separately
- Trim parts can be serviced above the mounting deck without touching rough-in valves.
- 3 hole 6"-16" widespread installation
- Requires Single Handle Deck Mount Tub Filler Rough-in with Diverter F2003B which is sold separately
