cube II

Ceramic Under Counter Vanity Basin #760502
Basin Size: 545mm x 330mm (21-1/2" x 13")

Offering strong square angles, slim walls and softened edges, Cube II is a striking design option for the modern bathroom. While the Cube under counter vanity basin blends the sharpest contemporary looks with a welcoming feel, it provides a generous bowl area. The basin is suitable for general purpose domestic and commercial applications. The rim is sealed to the underside of the counter top with an acetic cured silicone sealant.

Faucet Holes: Basin available as no faucet hole Code No.760502.

Waste Outlet: The waste drain is not included in the carton box, but is available in the following options for purchase:
FA725 -- Chrome Plated
FA725BN -- PVD Brushed Nickel Finish
FA725PN -- PVD Polished Nickel Finish

Overflow: Only available with Overflow. Designed for maximum tap flow rate of 15 litres/minute.

Fixing: Bracket clips #813734 are supplied as standard for fixing basin to marble or granite counter tops. Four brackets are supplied with each basin and must be fixed to the underside of the counter top with appropriate fasteners.

The rim of the basin must be sealed to the counter top with an acetic cured silicone sealant. Epoxy type glues must not be used. The basin is supplied with a template which must be used for the counter top cut-out.

Colors: White only.

Dimensions: All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.
