Signature Trapway

- The Signature Caroma® trapway is fully glazed and more than twice the size of the industry standard, eliminating clogging.*
- *It is not human waste that typically clogs toilets, it is paper products. The massive Caroma® trapway has been tested for decades in extreme conditions all over the world with almost perfect success! To clog a Caroma® bowl you would have to use an unreasonably excessive amount of paper.
A modern concept one piece toilet featuring a 1.28/0.8 gpf (4.8/3 lpf) flush volume. Sydney Smart II One Piece Easy Height Elongated left or right lever dual flush high efficiency toilet (HET) is designed to provide a seat height of 17-1/2" (445mm) measured to the top of the toilet seat. The versatility of the Sydney Smart II One Piece Easy Height Elongated toilet makes it ideal for able bodied, ambulant persons with disabilities or for wheelchair users. Designed with smooth rounded contours and a concealed outlet for easy cleaning.

Important: The Sydney Smart II One Piece Easy Height Elongated toilet will comply with the Americans with Disabilities Act when installed to Easy Height Standards for Accessible Design, Section 4.16 Water Closets. Further reference must be made to the relevant sections of Easy Height Standards For Accessible Design with current amendments to determine clear floor space, grab bar, and operation requirements.
