Why have an extra outlet attached to the wall when you can have it **built into your slide rail?**

FA802 (27)

27" Brass Slide Rail With Built in Wall Outlet

Available in Chrome or Brushed Nickel

FA802 (39)

39" Brass Slide Rail With Built in Wall Outlet

Available in Chrome or Brushed Nickel

Why FA802?

- The FA802 Slide rail features a built-in wall outlet
- Creates a clean, clutter-free shower environment
- Fewer holes to drill into your walls; easier installation and less cleaning

Who is it for?

- New construction
- Single or Multi-family residential
- Hotels
- Renovations

Cleaner Design,
Easy Installation.
