Solutions

designed for **life**

Quad-Sprint

\$ 261 CP

\$ 313 MB

Leaning into bathroom design with purpose is Sprint, the newest member of the Quad family. Slightly smaller, with clean, angular lines, razor thin edges and expressing an understated elegance and contemporary artistry.

EXCEPTIONAL QUALITY

Like a finely honed athlete, built for performance, inside and out. Forged from heavy brass and featuring premium ceramic cartridges Sprint is built to go the distance.

INNOVATIONS FOR LIFE

Fluid layers on innovative features like removable pop-ups that prevent small objects, hair and debris from going down the drain. Or a swivel aerator that effortlessly directs water to prevent splash back. Small details = big impact.

DESIGN EXCELLENCE

We design for life. When thinking about design, we focus on creating beautiful, quality products for real people; for every day tasks; to make their lives just a little bit easier.
