

Specifications

- Metal construction for durability and reliability
- Designed as a retrofit product, to replace an existing, installed shower arm. (Can also be used for new construction but would require a rough-in valve and valve trim),
- Wall-mounted shower diverter system
- Switch between hand shower and showerhead via a built-in diverter
- Swivel 2" tall and 8" long shower arm with locking function
- Check valve installed for backflow prevention.
- Hose elbow connector can be positioned left or right.
- 6" round shower head and 3 function hand showers
- Can be installed with drilling or non-drilling method.

Finish

- CP (Chrome)
- BN (PVD Brushed Nickel)

Codes and Standards

- ANSI/ASME A112.18.1
- CSA B125.1
- ADA
- IAPMO / cUPC Listed

Warranty

- Limited Lifetime Faucet Warranty against material and manufacturing defects for residential use.
- 2 Year Limited Warranty on all industrial, commercial and business applications.
