fluid basins for living

FB04235 CANADA

What makes a well crafted bathroom basin? One that helps define a space and more importantly, enhances that space for the people using it.

BEST IN CLASS

Fluid focuses on creating 'best in class' products for your home, meaning that we manufacture and sell the best quality products with the most value within a given price point.

FOR YOUR LIFE

Designed for life; for real life; for your life! Our teams are focused on crafting practical, enduring beauty for your home.

TRUST

It isn't enough to be beautiful upon installation. A well crafted basin retains that beauty throughout its life;
