All dimensions are in inches and millimeters and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.

Warranty:

Two year limited warranty

➔ Caroma plumbing products are warranted to be free of defects in material and workmanship for two years after their initial purchase. This limited warranty applies only to the original purchaser and installation of these products. In the event of a limited warranty claim, proof of purchase from an authorized reseller will be required.

Important:

The Somerton Invisi II dual flush washdown toilet will comply with the Americans with Disabilities Act when installed to Easy Height, Standards for Accessible Design, Section 4.16 Water Closets. Further reference must be made to the relevant sections of Easy Height Standards For Accessible Design with current amendments to determine clear floor space, grab bar, and operation requirements.
