

Specifications:

- **Stainless Steel Construction**
- **Designed to replace a standard wall-mounted showerhead and arm with a slide bar system** featuring a built-in water outlet and diverter to direct flow to either the showerhead or hand shower
- **Works with the existing rough-in valve**—no need to alter plumbing behind the wall or modify the shower wall
- **Two mounting options:** drill into shower wall or drill-free using only the supplied waterproof adhesive
- **3-Function Hand Shower**
- **Adjustable Slide Bar** allows you to change hand shower height
- **8" Swivelling Shower Arm** for adjustable positioning
- **Reversible Hose Elbow** installs left or right
- **Water Inlet** is located at the top installation post
- **Built in Check Valve** prevents backflow
- **Optional 65 mm escutcheons** available for larger wall openings (sold separately)
