

Caravelle Smart One Piece Easy Height Elongated Button Toilet

989900

Specifications

- Vitreous China Dual Flush High Efficiency Toilet (HET)
- Elongated washdown bowl with box flushing rim.
- Designed to provide a seat height between 17" and 19" (432 to 482mm) measured to the top of the toilet seat.
- Smooth contours and a concealed trapway for easy cleaning
- The toilet is suitable for multi-purpose applications, including those where water conservation is important
- A 326611W soft close detachable seat is included.
- Weight: 103 lbs (47.0 kg).

Outlet:

Floor mounted. Connection to waste outlet requires the offset plastic **Caroma Smart Connect** outlet connector for 10" (255mm) to 12" (305mm) rough-in.

Tank:

The tank is an integral part of the toilet with a free fitting lid and is suitable for domestic and light commercial applications.

Water Control Valve:

Standard Bottom Entry Tank – available as left hand inlet and incorporates a super quiet water control assembly. Internal overflow only.

Fixing:

The one piece toilet is fixed to the floor with corrosion resistant screws and closet bowl guard washers and a fixing assembly kit. Bowl is to be bonded to the floor with an approved silicon caulking.
